The 2006 Grand Tour ride is scheduled for Saturday June 24 (rain 25). The route was changed to go through Rochester. See the web site for more details. This ride gets better each year. Mark your calendar now.

Dirk Bjornson, Dave Hammer and Mark Sportelli attended a Triathlon last year

New Business:

Treasures Report is pending.

Fire Department Convention is in Detroit Lakes in June. It would be a long ride, if anyone is interested in going, contact Pete. We can send out an email and see if anyone else is interested.

Pat Sheehan would like to coordinate a ride again around Lake Minnetonka.

There is also a ride starting in Shakopee, also in June. All three of these dates will be posted on the web site and I will try to email members when they become available.

Tim Smith will be helping with the Iron man again this year on April 30, 2006. If you would be interested in helping, contact Tim.

Reminder: The Red Knights Motorcycle club is a social club, made up of Firefighters. Its purpose is to get firefighters with motorcycles together. If you know of other firefighters that have or are at least licensed to ride a motorcycle, invite them to join.

Also, help plan events or administration duties if you can. You have just as much ownership in the club as anyone. Help make it special. No one can do it all, nor should they. But if we all do a little, it will make a difference.

The next meeting is scheduled for Wednesday May 3, 2006. TBD. Election of Officers will be on the agenda - President, Secretary, Quartermaster and Ride Captain are up.
