August 2004

Hey Members,

It's been a while since the last news letter was published. I hope you all have been on a few good rides this summer, what little summer we had. It seems that time just flew this summer. I went to a wedding in Hutchinson this past weekend. About an hour drive on West Highway 7 from Minneapolis. I was hoping to take my Harley but I had to take my Mother. She said the Harley would be Ok, but she was going to drive. Ain't no way I'm sitting on the back of my bike and with that 86 year old, 5ft woman on the bars. We took her car, I drove.

Our Red Knights Club is due for a meeting in September, I'm thinking Saturday Sept 4. Let me know what you think. Ron Johnson and Jeff Cutler from Stillwater offered to have to a short meeting at their Facility and then go for a ride after. Maybe 10am start time, and then ride to Wisconsin or somewhere for a few hours. Yes, I know its Labor Day weekend, but I have to work throughout the weekend anyway (computer stuff is usually done over long weekends.) The next best date is Sunday September 12.

Dave Hammer is organizing the Grand Tour Ride. He sent out an email a short time ago. Please let him know if you wish to make the ride, and what would be the best day for you.

Our Quartermaster Gene Grueschow, has patches, rockers and other items. Contact him for your needs.

Leo Patry, Red Knights international treasurer said that we have grown by 25 chapters since we were formed in March.

There are two new Minnesota Chapters of the Red Knights. I'm sure you join me in wishing them well and safe riding.

Minnesota 1 Eagan Mn

Minnesota 2 East Grand Forks Mn
Minnesota 3 Willmar Mn

From Dave Hammer:

It looks like the Grand Tour will be on the 19th since the Flood Run is on the 18th.

There is the Joy Ride on 11 Sep and the MN Chapter 1 has been asked to participate. Are there people interested?

I have the bottom rocker for the 10" back patch at \$12.

A sample red leather vest will be available for viewing very soon.

If you know of someone that should be receiving this newsletter and is not, have them mail me as I may have the wrong address.

As Always, Ride safe and keep the rubber down,

Peter Renneberg
President
Red Knights Minnesota 1
